My deepest sympathy to Linda and Cathy. Your dad was a wonderful, loving man. He was loved by all that knew him. I have so many fond memories of being at your house with both your mom and dad at Christmas and New Year's Eve parties. Everyday was special with your family. With love, Don Webb

Papa Haick, you accepted my mom and I from the very beginning. You were the best papa I will ever know. I love and miss you dearly. May you forever rest in paradise with Nana Marie, playing baseball and watching over all of us.

George thank you for being there for me as a young kid who got in a little trouble and how you told me if I didn't stay out of trouble I wasn't allowed to come over to the house. But I remember all the good times we all had during those years. You were like a dad to us, I also always liked going to work with you once in a while. Our families met in the apartments across the street from the junior high school and have always stayed in touch. Thank you for being there for me at that time.

I had a chance to meet George last year and from the time I was introduced to him I knew his heart was gold. George had a smile on his face and his eyes were soft and welcoming. I know he is dancing cheek to cheek with the love of his life in the presence of God it doesn't get any better than that. May god give the family peace and comfort. Thank you Mr Haick for serving our country. Cathy he thanks you for letting him dance. Peace be with the family. Love T

I will never forget Uncle George. He was so sweet and pleasant to be around. I remember him and my dad hanging out together and how they use to sit on benches in the malls while our mom's went shopping! They were so much alike (very patient!). He will remain in my heart forever.Sending his family peace at this difficult time.Karen Pridgen-Jaques
