Dear Nancy, Diane, Debbie and family, My deepest sympathy to you. Walter was a special person and it was a gift to have visited with you in December. I am so glad I have those wonderful memories of us together and I will treasure them always. Walter lived his life to the fullest and encouraged everyone around him to do the same. I cannot forget his favorite sayings "Life is Good" & "Man, I have had a good life." He was a generous, loving, hard working family man. An inspiration to all who meet him. And he made friends with everyone.. because he talked to Everyone! The world was his friend. Walter will be in my heart forever. I am so proud to call him my friend and I feel so blessed to know you. Sending all my love, Janice SwansonPs.. Nancy can't wait to get back down there to see you xo

Dear Nancy and Family, Heart felt sympathies over the loss of our dear friend. Walter lit up a room when he walked in with his smile. He always had an optimistic view, even in challenging times he would say "Life is Good". He truly loved life! It was such a pleasure working with him as Lakeville's plumbing inspector. It's not everyday that you meet a guy like Walter, and when you do, it changes your life. He will be missed. Jay Catalano

Dear Nancy and family, It's hard to express the heart felt sadness we have because Walt isn't here with us any longer. He was a wonderful man, kind, generous and always looking on the bright side of life. Roger loved every single day he had the privilege of working with Walt at "Egger Bog." We both loved spending time with Walter and Nancy cruising the Intercoastal or walking the beach in St Maarten. It is hard to think about Walter in any other way then with wonderful and happy memories and the joy he shared with everyone he knew. I know he's looking down from heaven with a big smile saying, "This is perfect. Can't wait to see you! With love and prayers of comfort, Roger and Joanne Fritz

To our dear, dear friend, Walter. Since Monday our thoughts have returned to so many wonderful times we've spent with you and Nancy: that first trip to Aruba, the NY Deli and speedos on the boardwalk; the St. Maarten B & B "planning session"; that horrendous pink paint in New Hampshire – and how many times did we paint the ceilings? the suddenly appearing dog dish in Parkhurst; the memorable Rotary Club meetings; Boston's conch fritters and trips to "The Boys", the doggy park and your "friends"; quiet morning breakfasts in Rochester. You showed us so many times how to really love life and live it to the fullest. You have left us with heavy hearts – and such wonderful memories! We love you sweet friend and will miss you forever. Love, Dan & Kathy

Mrs. Egger (Nancy,) Debbie and Diane - I was so saddened to hear about Walter's passing. Growing up you were all like an extended family to us. My Dad and Walter had so much fun together, in the Rotary club, boating, just joking around.....time passes just too quickly. I hope Walter and my dad are both together now, at peace, and sharing a toast and a joke or two. I hope your fond memories of great times can bring you all some comfort. He was a wonderful man.Love,Heidi (Burns) Jordan & family
