Howard was always there to help us with much needed advise for many many years. He helped us with saving the life of many baby birds. When we had a problem on our farm he always had the answer. I had just emailed him some video in March about id of a pair of birds and he quickly responded and we had avery nice email session about the pair and I was going to contact him again on the phone in June about something else and we heard of his passing, I just did not know how sick he was, I am sorry for that. He was my mentor and friend, good bye my friend and fly well.mike richard, Royal Bird Company, nc.

I met Howard approximately 10 years ago while working the Baggage Dept for CO/UA in PBIA. We shipped birds for Howard to several of his many accounts. There wasn't anyone more knowledgeable about the laws and policies regarding the shipment of birds and if I had a question I would ask Howard. I am saddened to hear of his passing because he has been an inspiration to me. I always referred to this fun person I knew as "Birdman".....RIP Friend 🌹
