Dad--Your quiet strength will always guide me through my life. You said so much by saying so little. Always a gentleman. Love you forever, Maria

I love you and miss your presence Daddy. I know you are not in pain anymore and are in a better place but still it is difficult to grasp that you are not here with us anymore. I feel like my protector is gone. You were an outstanding father and I thank you for giving me the life you did and making me the strong woman I am. You will forever hold a special place in my heart. When you make it to the gates of heaven, I know my late husband, your son-in-law David Odom will be there to comfort you with open arms. I love you Daddy and may you rest easy. I will make sure I take care of Mommy you have my promise just like I told you when you were still able to understand me.
