#A#Z#EI sent a virtual gift in honor of Maggie.

To the Saitta family: You probably don't know who this is from, but I know who I'm sending it to. I didn't know her that well, and when I did, I was a kid. I think she was around 16 at the time, and thinking back on it, she acted like a normal teenager for her age. This is kind of weird, but I really wish I could have known her better, when I heard she died, I was shocked, and sad. Today, it's the 26th of February 2019, it's been 3 years since it happened, and I just want you to know: I may not have known her well, and it may have been a long time but. I will never forget her. To the entire Saitta family. You have my condolences.
