To the family of Cheryl Roberts Edwards: I went to high school with Cheryl, and for many, many years, until we found her again on Facebook, I thought about her and wondered how she was, and what had become of her. In the short time I knew her at AFCENT she made a huge impression on me, one I never forgot. Her exuberance and sense of humor were magnetic. She had many friends--and I am sure she made many, many more since I last saw her, all of whom will miss her but will be able to smile and laugh when they think of her. That's a real gift. I wish all of you the comfort of your best memories of Cheryl at this difficult time. Kind regards, Judy Whittelsey

I remember the many days we spent visiting at her parents apt. in Holland. Lots of laughs and clowning around. She was always one to laugh at herself!
