Aunt Cheryl was amazing at helping me with my cancer fight! I'm so grateful for her help. She was a rock for my Uncle Ed. Her sweet presence will be with us and help us as she did always.

My deepest condolences go out to Ed and Cheryl's family, we've missed you ever since you left the Park East Terrace family, I regret not keeping in touch. You were my only smoking buddy in building 6 and took such good care of our garden! Rest In Peace. -Sammy

You were a light in the lives of everyone who met you, and you'd become a second mother to me and a sister and best friend to my own mother. Your humor saw us all through the darkest moments and your endless selflessness will always be something for which I am grateful. I love you. -TG
