Barbara was one of my best friends in High School. She was planning on a trip back to Bethlehem this month to visit her friends and was hoping to walk the streets in the snow. I will truly miss her! Rest In Peace, my friend. Sylvia

I worked with Barbara for almost 10 years at a law firm in FL and I learned very quickly how passionate she was about ALL of her animals and I know for sure they have welcomed her with wags and kisses into the PEARLY gates. Her horses in FL were her whole weekend of care and love. Her trips to Germany were her favorite times of the year at Christmas and she always came back relaxed, happy and spoke of wonderful stories about her friends there and the beautiful horses. She would come to my house for lunch and barely said hello before she went right to my chocolate lab, Meadow!!!! Many, many hugs, kisses and lots of pictures. She was involved with rescue animals and did everything she could to try to find homes for them. I have always had deep respect for her commitment to animals of all kinds. She brings a smile to my face when I think of her and I will miss her but will never forget her and she will always have a place in my heart. Love and Peace to you Barbara. Elaine Reo

Barb has been a dear friend of ours for almost 30 years. We met at Fairground Farms where she had her horse T.T. who she loved very much. Every corner of our lives has been touched by her. She was always very thoughtful and giving, and she could make me laugh so much. I will miss her laugh terribly. My daughter adores her. She knew everything about me. Her visits to Germany were always a highlight for all of us, and I have been pushing her for the past year to come to Austria for Christmas this year. I know she would have been in paradise there. She always dreamed of moving back to Pennsylvania out of the heat of Florida. Now she is playing in the snow with T.T. and all of her cats and dogs. I miss her more than I can say. It is always too soon to say goodbye, but this was way too soon. She was much too young to leave us in a way like this. We love her and miss her. Sarah, Max and Tina
