Sandra Donaldson Daniels lit a candle in honor of Florence.

Mr. Dyer, I don't know where to begin, because I have known the family for almost my entire life, and that's over half a century. We are like family, been together a long time. There was never a dull moment being around you and Mrs. Dyer, who would keep me, keep us, the whole family, in stitches. Thank you for leaving us such pleasant memories; we will cherish them. Mr. Dyer, please know that you and your family are being thought of with love. May God grant you comfort and peace. Sandra Donaldson Daniels and family - Atlanta, Georgia

We are honored and blessed to have known Mrs. Dyer for over 50 years, as our dear beloved next door neighbor and family friend in Jamaica at Washington Gardens, Kingston Jamaica and the United States when our families both migrated in the 1970's. She was truly a blessing in our life and we will truly miss her, we send our love of those around her and we pray that the Lord provide comfort and peace to get the family through the days ahead. Remembering her wonderful and gentle soul will forever remain in our hearts, may she rest in peace. A good heart has stopped beating, a good soul has ascended into heaven, we will never forget you. May God give her eternal rest and give her family especially Mr. Dyer the strength and much needed comfort and peace during this sad time. We express our sincere and deepest sympathy to the Dyer family. Mildred Wright and the Wright Family
