Thelma was a part of our game nights, and a formidable competitor. She was lucky to have a wonderful daughter to share her daily life. We'll remember her with a smile.

Fond & wonderful memories of Thelma will remain tucked away in my heart always & with much love. Her caring, thoughtfulness, concern, compassion, unconditional love for family & outreaching to friends are only some of the qualities that made her a special & outstanding lady who will be sorely missed. I will never forget the reminiscent stories of events & occasions she told me during NY visits. She was always happy to listen to anything I may have had to say & possessed a knack for making me & others feel special, I choose not to mourn Thelma's passing but rather to say how grateful I am for having had the privilege of knowing her & sharing some memorable times. Last but not least, her indescribably delicious, freshly baked apple pies & beautifully crocheted/knitted baby bibs (loved & saved by my niece), hot plate trivets & dish cloths which I treasure. It goes without saying that I will think of Thelma each & every time they are used. With Much Love, Joanie 7/30/2017
