Rosa Campbell lit a candle in honor of Juana.

I'll always remember my mother for teaching us to always talk to God and because of that as I live I'll continue to talk to God knowing that my mother is there with him having the conversation face to face

Rosa, I didn't get the chance to talk with you personally before, but hope my messages got to you. My thoughts and prayers are with you and your family through this very difficult time. You have my numbers and can call me. I Love you all!
