Growing up alongside Nicole was the most humbling experience I could ask for. She never complained about anything she faced, she only ever wanted to sing Titanic and do each other's hair. I will carry her spirit with me for the rest of my days and count myself lucky to have called her a friend. Rest easy, doll, you fought hard. ❤️

Nicole had the most beautiful smile, it would make anyone smile. I always loved the stories she would tell me of her next adventure and of all the memories we shared. I hope Frank, Denise, and Josh will find comfort in the knowledge that many are holding in their hearts today and remembering along with you. My heart goes out to all those who loved Nicole because my heart is hurting. I do know she will be singing in heaven and smiling down on us. What a beautiful ANGEL!

Nicole accomplished so much in her short amazing life. Meeting and marrying Joshua Harris was meant to be. She was everything to Josh and he was everything to her. We all loved her so much.
