Marie lit a candle in honor of Maria.

Abuela never thought this day would come I thought you live over 100 . You were my everything I was truly so bless to have you for 51 years . I have so many memories with u growing up with u and grandpa I was loved spoiled like no other your baby you would say . You always wanted the best for me even all the obstacles I've gone through you were there and supported all my decisions and you knew in the end I was finally in a good place and happy that's all you ever wanted for me . Holidays will never be the same with your amazing rice . The only thing gets me through this is your going to be with abuelo his love for you was like no other he was waiting for so you for so long . I can see him smiling right now with his arms ready to hug you . You were loved so appreciated and so giving . I am who I am because of you and mom strong feisty individuals. We thought we would have tomorrow but we didn't god had another plan. We will miss you so my abuelita te quiero mucho para siempre mi corazón para siempre mi vida ♥ Hasta un día abuelita
