Anne Marie Traxler

MAY 15, 1970 - OCT 29, 2022

On May 15, 1970, Anne Marie was born, June 30th she was introduced to the Schultz family. They took her in under their arms to raise and love.

We are all blessed to know Anne Marie Traxler, she was as beautiful as life itself. She spread happiness to everyone she met and brought every room to life. She hit every beat to every song with her groovy moves, she put a smile on every face she looked at.

Nothing can compare to the love my mother shared with her family and friends. No words can describe the amount of unconditional love she spread throughout her short-lived life, it's a shame she was taken so early from us all. I will say it for everyone, we were not ready for this, no one can prepare for something like this, especially, losing a mother, a friend, a sister a companion. It's all a shame and no one deserves to go through it, but we must.

Anne has traveled all around the world; she had countless stories that she would always share with us. I would love to just hear her tell her stories over and over, she would always use these hilarious facial expressions that always made the stories much better.

Annes arms were always open to anyone in need, it made her so special, if you needed help or someone to just talk to for hours she was there and would listen to every word and leave you with nothing but something to laugh at. Never a dull moment around Anne, she will always be remembered a happy, hoppy soul. ♥

In loving memory of Anne Marie Elisabeth Traxler

I have been sitting here thinking about you day in and day out!!! It's still hard to accept that you are gone. I miss you so much but the memories we have the way you would make us laugh and smile when all I wanted to do was cry, you became my older sister 25 years ago and you will always be my older sister!!

I've known my sweet Anne with our boys Gage and Brandon. They grew up at both our houses. Played baseball together. Did ROTC together. My sweet friend was always my shoulder to cry on. She was a true friend in every sense of the word. You've been taken away from us way to soon but I have to have piece in knowing your not in pain or suffering anymore. Your now my second guardian angel right next to my mom. I'm going to miss you dearly hun. I love you. I'll always be here for the boys. Until we meet again my sweet friend 🍀❤️🍀❤️🍀❤️🍀❤️🍀🐾🐾
