I miss Roy very much. I always loved him with all my heart & I know he loved me very much. He will be sorely missed by me & many many family members, friends etc... I know Roy is in heaven with God & the Angels. I can't wait to see him again when it is my time to go. We always had a great time together. We did have our ups & downs but mostly all Great. I was in complete shock to find out Roy passed away & no one called me to let me know. I found out on my own with my friend's help. I cried & cried. My heart was broken he hear the news. I wanted to be at his funeral but again no one notified me. Maybe didn't have my phone number or my address. God Bless you & family & friends. My thousand prayers go out to the family. It is been over a year since Roy went home to God. I miss him a lot. Many great memories.

Roy is a good hearted Soul, that will be missed by many & especially his family. I just found out yesterday but something was bothering me because I was thinking about Roy the past few months then I sent him a text to wish him & his sister Cathy, a Happy Birthday on July 13, but his phone was disconnected and his house phone was disconnected so I drove by his house and saw furniture on the carport so I figured he moved into the condo that he was thinking about doing or he passed because of his heart condition but wasn't sure until I, texted my Best girlfriend of 47 years & she looked up the obituary and found Roy then she called me with the sad news. I was extremely upset. Roy is a wonderful man. I will miss him dearly. He was the best & will be forever in my heart. ❤️ God Bless Roy & his wonderful Family. My thoughts & prayers goes out to Wayne, Cathy, his nephews and niece & the rest of his family. I'm going to go & visit Roy's grave tomorrow. I'm still in shock about his passing. I'm broken hearted. Many blessings to you all.

Roy, I met you the first time in October, 1980 - you were playing foosball at Harry's. The following year you were a part of our wedding party, all dressed up with your signature long braid down your back. You were quiet and caring. After we moved away from Florida, you would call almost everyday giving Jim updates on who, what and where. I always enjoyed getting together when we'd head south for a visit and you were a sweetheart to come up and visit in NC. I know you are smiling big and happy now, walking those streets of glory, with the Lord. "For we live by faith, not by sight. We are confident, I say, and would prefer to be away from the body and at home with the Lord." (II Corinthians 5:7-8 NIV). 'Til we meet again!
