To Aunt Ouida and Family,As I thought about what to say to you I came across these words by the author, Leo Buscaglia and it resonated with me and I thought I'd share it with you. "Ancient Egyptians believed that upon death they would be asked two questions and their answers would determine whether they could continue their journey in the afterlife. The first question was, "Did you bring joy?" The second was, "Did you find joy?" On behalf of Mummy (Uncle Trevor's Aunt Lola) and the rest of this side of the family I hope that you are able to remember the joyous times you had with this wonderful man named Neville Trevor Miller. I remember him and your family with a smile when Mummy took one of my two older sisters, Monica and me to visit with you all at your beautiful home in Long Island. Yes, I know that's years ago, but it's a happy memory for me. Concentrate on your joyful/happy memories during this transitional time of your lives and may you build new joys with each other for the future. Finally, may this joy help with your recovery from your recent hospitalization. NamastÃ©. Karlene Forde (aka Pat) & Family##imported-begin##Karlene Forde and Family##imported-end##
