I was so sorry to hear of John's passing. We all work, most with dedication, for the USPS...to retire and hopefully enjoy many years healthy years ahead. It is sad that John did not get that opportunity. He was a great carrier who I had the privilege of Supervising. May he rest in peace knowing he was a faithful servant to God and the USPS. He will be missed.##imported-begin##Karen Caruso##imported-end##

I worked with John at the Southboro Post Office for many years as a clerk closing out the carriers at the end of shift. I always remember John because he would always have something funny to say even when he was tired from all the walking on his route. I will miss John and keep him in my prayers. God bless him.##imported-begin##James Allan##imported-end##
