Nathalie Anne Fromet de Rosnay

MAR 29, 1971 - SEP 5, 2024

With profound sadness we announce the passing of our beloved Nathalie Anne Fromet de Rosnay in Florida in the early morning of September 5th at, JFK Hospital.

Nathalie leaves behind the love of her life, George, and her 16 year old son, Louis.

A void will never be filled for her parents (Robin and Bernard), her sister, Janine (Frank), her brother, Emile, her nieces and nephews (Sophie, Max, Simon, Maya, Marielle),

As well, the entire Polychronopoulos family especially, Louis (senior), Tina, Bill, Gus, Steve and, niece and nephews, Julia, Chris and Elias; all of her extended family around the world and the wonderful community of friends she made in her chosen home of Florida.

Nathalie was always a fun loving, kind, generous and beautiful person who gave joy to all who knew her.

Her 12 year struggle with cancer was so difficult especially these past few months. Despite it all, she never lost her down to earth love for life and concern for others.

We will all miss her terribly but we will all continue with love in our hearts and wonderful memories of our darling daughter, sister, mother, aunt and friend.

Nat.. it was an honor and privilege to minister at your celebration of life. I know that you're now with our Lord and enjoying paradise. May God bless you forevermore. We will be here for your family and do anything we can to help them. We pray that your influence from heaven touches George and Louis so that they may follow Jesus more closely and make you proud. We love you Nat!

Nattie had this infectious laugh and boundless positivity whatever the circumstances. Kind, loving, generous with a beautiful soul. Her love for George, Louis and her family was undeniable. We are heartbroken and devastated for her family and friends but will cherish her wonderful memories and Nat will live in our hearts forever. Our deepest condolences. May she rest in peace and be remembered for her vibrant spirit and unyielding love. Love you Nat. "Uncle" Geoff and Colleen
