We will miss Mitzi so much. We never had a conversation with her that didn't end in laughter. She was so strong and determined! Now she is receiving her crown and all the jewels to go with it. We are so comforted with the FACT that we WILL see her again in GLORY!! Till we meet again . . .

Mitzi, we are so blessed to have known you over the past several years! You have always been such a wonderful example and Godly woman and an amazing friend to our entire family. Your constant love, encouragement, generosity, and humor are what we have most admired about you. Even through your sickness, you were always faithful to our Lord and praising Him through it all! You and Winston have always been so wonderful to us and we love you both dearly! We will miss you here on earth but look forward to that day when we shall see each other and praise the Lord in Heaven forever! Until we meet again....we love you Mitzi!##imported-begin##Darren, Sharon, Madelyn & David##imported-end##

Mitzi was full of laughter and fun. Never a time in her presence was left without a good chuckle. She was forever saying, "brown sugar was better than white sugar anytime." And she was very free with her "brown sugar". Heaven is definitely richer because she's there. She will be missed. Thank you, Winston for sharing her so freely and for putting up with our teasing. I know you never gave her a minute of trouble but it was too much fun not to give you a hard time when we could. She loved you deeply, it was very apparent. Goodbye Mitzi, enjoy Jesus and the streets of gold.##imported-begin##Connie Bryan##imported-end##
