I am proud that I had a kind, caring and generous mother-in-law in Kuei Nien Wang. She became my replacement mom when my mom passed away in 2001. We did not always communicate directly, but we managed to understand each other. And we had mutual respected for each other. I will miss the routine Teresa and I have gotten accustomed to, centered on the loving care Teresa and Mike's family (Debbie, Jenny and Annie) provided their mother, mother-in-law and grandmother. She is now resting in peace, joined by her husband and my parents to watch over us. Love you All, Bucky

I remember meeting Mrs. Wang when she came to my restaurant in Miami. She and her friends were so kind to my parents who were just retiring from the restaurant business and moving back to China. We all shared in a nice banquet meal back in Spring, 1995. She will be missed. S. T. Luong

There is no worse time than the loss of a mother. Your mother was a sweet and kind lady. May you find comfort in remembering all the guidance and love that your mother gave to you throughout life. Always keep these precious moments close to your heart and she will continue to live on in you. I feel so fortunate to have known her. Our thoughts and prayers are with you and your family through this heartbreaking time. Love, the Sathonpanich family.
