Bob had a larger-than-life personality, his presence filled a room with laughter, light and he always had a good joke to tell. He loved his family and friends above all, and had a strong passion for antique cars, especially the Model A Ford. He had restored more than 5 Model A’s from bottom to top. He had owned at least 26 antique cars, a true hobby that became his passion. He belonged and was president of the Model A Ford Club of NJ. He belonged to the Antique Automobile Club of America, the Model A Ford Club of America and the Running Board A’s. He loved driving his Model A’s all over the Eastern United States.
