I am going to miss our hours and hours and telephone calls. Some filled with laughter and some with tears. I wish I had called you and visit often. I now know that will never get a chance to do those things.

God needed his Angel and he took you. There is no one like you, your memories and your kindness will live in my heart forever. I am so happy I told you how much I loved and appreciated you. You will forever be in my heart. I love you!! Rest in peace beautiful lady.

You took a chance, a leap of faith, with courage to come to a country you didn't know. Your choices in life has given us endless opportunities and for that I am forever grateful. Thank you for bestowing upon me important life lessons, which shaped the man I am today. Continue to watch over us and protect us until we meet again. I will continue to make you proud. I am strong and don't worry about a thing. You live in each one of your children, their children and you will live through their children. Rest in Paradise my beautiful Mom. “ My Granny My earliest memories of you was hearing you begin our phone calls with calling me every dessert known to man. I was your sugar plum, cherry pie, ice cream, chocolate truffle, pumpkin pie your accent was not like anyone I knew, even stronger than my Dad's..you brought me so much joy, over the phone I felt your warmth and love. YOUR love radiated anywhere you went. I wished for many years to grow up in New Jersey with you; I knew you were a one of a kind grandma and you always will be. Thank you for loving me, thank you for meeting me. And most of all, thank you for treating me the same way you treated the grandchildren that actually grew up seeing you more I never felt like I wasn't yours. Thank you for that. Thank you for teaching me lessons that I've passed down to my sister. Thank you for showing me there is always light in darkness and it's because you choose to light the candle. Granny I can't believe I will never hear your voice again or see you again. I had so many plans to be with you longer but God had other plans for you. Much bigger plans. God decided it was time to call you home and I've made peace with that. You lived a strong life that I am proud to tell my kids one day thank you for the dad YOU gave me. Thank you for raising him and teaching him all that he knows so he could pass it down to me. I may have only see you three glorious times in my life but I have always see you as super woman. Putting those she loves first and doing what is right and honorable at all times. Being a classy and flirty lady all at the same time thank you for loving me thank you for always being MY Granny. I love you and I always will.

“ Nana was one of a kind. Feeling nothing but love whenever I was with my grandmother. I'll miss her birthday calls, her freshly baked bread and her stories of a lifetime. I look to the countless wonderful memories of her and cherish the time that I was able to spend with her. Some days are easier than other but I know she would want to have been celebrated so I hold my head high. I will always be her sugas even when I grow old. I love you nana

“ I only remember being loving by my grandmother. Her adult sense of humor and her passion for life are two things I'll always cherish about her. When the tough got going she was already lacing up because she's a fighter. I always thought she'd see me have kids of my own and now I know she will because she's a guardian angel now. So much love and laughter will be had with her in mind, and I will honor her life with the lessons I've learned from her. I love you Nana, always

“ dear my beautiful Granny. this all seems like a dream. Ah something i remember form my childhood is that every time i got off the phone you'd call me “ sugar plum, honey cake, apple pie, pumpkin, etc. And every now and then you'd send care packages full of chocolates and gifts. It breaks my heart to say this, but even though we never got to meet in this life, we definitely will in the next. I love you so so much Granny

“

I would like to share a poem. **BROKEN CHAIN**

We little knew that morning that God was going to call your name. In life we loved you dearly, in death we do the same.

It broke our hearts to lose you, you did not go alone; for part of us went with you, the day God called you home.

You left us peaceful memories, your love is still our guide; and though we cannot see you, you are always at our side.

Our family chain is broken, and nothing seems the same; but as God calls us one by one, the chain will link again.

LOVE YOU, LOVE YOU MUCH MOM. Love always your daughter Carol.

“

Mom,
my Mother, who have carried me nine months in your Holy Womb, three years in your arms and a lifetime of Love in your Heart and now an Angel in Heaven to watch over me. Thank you for molding me into the man I am today with morale, ethics and values. With this character I am married to my beautiful wife Nelda who gave you three beautiful grandchildren Matthew, Christina and Abigail. Thank you for raising me in the Catholic Faith and teaching me all the prayers and because of you, I am very religious. I miss you calling me, hearing your voice, telling me that you love me. No more black cakes for my birthday. No more boxes with vicks, tooth picks, fish oil, vitamins, chocolate, candy. No more presents for Christmas, Birthday, and Father's Day and just because. No more, two weeks before my birthday calling me and singing SOMEBODY IS HAVING A BIRTHDAY, SOMEBODY IS HAVING A BIRTHDAY. Mom, my Heart and Soul have a big, big hole in it and it hurts a lot. Hurts a lot, hurts a lot. I miss you Mom and I want you here and I can't have you here, I can't touch you, hold you, squeeze you, kiss you, hug you, cuddle you, hand out with you and cook with you.

Thank you for teaching me about Humanity and being compassionate. I will miss you Mom with all my Heart and Soul, but Heaven have gained a Mother, a HERO, a SAINT. May God the Father, the Blessed Mother Mary, the Angels, the Saints and all your Family take care of you in Heaven.

A Prayer for my Mom Holy Soul

“Eternal Father, I offer Thee the Most Precious Blood of Thy Divine Son Jesus, in union with the Masses said throughout the world today, for all the Holy Soul in Purgatory, for sinners everywhere, for sinners in the universal church, those in my own home and within my family. Amen.”

God Bless You Always Mom and I Love you and miss you

“ Olive you will be dearly missed and your memories will forever live in our hearts and within our families. I remember the first time I met you, we were driving to your house from the airport you turned to the back were I was sitting and you stretched out your hand to touch my face and said how pretty I was. You made me feel so warm and accepted by the family. You were always real with me and I wouldn't of wanted it any other way. I also remember when you came down to Texas to visit with us and you told me that you tipped your hat to me because of the way I took care of my home and my family. Well, now I tip my hat to you because you raised five incredible children and I'm blessed to call one of them my husband (Basil Carl Persaud) I thank you for teaching him to clean, cook, sew etc. In all the twenty seven years of our marriage I have never had to pick up after him!! You raised him well. I thank you for the three grandchildren we were able to have blessed you with(Matthew Allen Persaud, Christina Ann Persaud, and Abigail Ann Persaud) Olive this not goodbye its just see you later. Until we are united with our lord and savior Jesus Christ may you rest in peace and the perpetual light shine upon you. Your Daughter In Law Nelda Persaud who loves you and will miss you.

Nelda Persaud - August 21, 2020 at 06:00 PM

“ Dear My Beloved Momma, words can not express the pain I am feeling and will continue to feel until we meet again. Mommy, you nourished and molded me to the lady I am and mother to your three beautiful grandchildren. You were one of a kind, your Faith in God and how you taught me how to pray, brought me up in the Catholic church, and helped me to understand the Christian Faith, your sense of humor, your hugs, your birthday songs before my birthday, your cards, your boxes in the mail, your dance moves, your cooking, your beautiful table setting for all the holidays, your warm home, your empathy and sympathy towards others, your passion for life, your kindness and your unlimited caring for your children, grandchildren, friends and anyone you meet. Your whistle that you called us with and taught me, I passed it on to your grandchildren, and I will surely pass it on to generation to come.

You are a dress Queen with always matching everything you wear, smelled good, and make sure you take a selfie to document the moment You're a "SELFIE QUEEN". I will miss your laughter, your jokes, and your motto on life to "LIVE, LOVE AND MOST IMPORTANTLY LAUGH". You will continue to live in my heart and May your Soul Rest In Peace until we meet again. I LOVE YOU OLD GAL.

"A Prayer for a Deceased Mother"

O God, who hast commanded us to honor our father and our mother; in Thy mercy have pity on the soul of my mother, and forgive her her trespasses; and make me to see her again the joy of everlasting brightness. Through Christ our Lord. Amen.
