I am so sorry to learn of Pat's passing. I used to sit in front of you and Pat at St. Rita's at the 9am Mass. God Bless you and your family as you go through this difficult time. With deepest sympathy, Rita Bryant

“ Sorry guys for your loss. Pat was great! She always let us have fun while still managing to keep all of us church kids in line! I miss all of you guys, and am sorry I won't be able to be there. At least our Moms are together again having fun in heaven! With deepest sympathy, Suzanne Schweitzer

“ Aunt Pat was one of a kind! She made such a beautiful difference in so many lives. Her greatest legacy is the love she had for her family and friends. Family always came first! She always lived in the way that she wanted to be remembered. Her faith, kindness, love, and compassion will stay with me. I will forever love you, Aunt Pat, even though I didn't say it or show it enough over the years. I will, however, learn to not only live better but to be better in order to honor and cherish you! I miss you so much. It hurts like heck but I know that one day I will see you again. Thank you for putting up with me during my teenage years and through the stupid things I did but most of all, thank you for always loving me because that's the kind of person you are. Thank you for all the amazing memories and for being my son's Godmother. God, knew what He was doing when he brought you into our lives. You will always be "Our Bright Star!" Until we meet again. I love you to life!
